

Description	Name	Handle	Length	Lure Weight	Line Class	Power/Action
A versatile finesse rod for small spinnerbaits, swim jigs and weighted jig heads like shaky or flick style baits.	<u>90\10 LT</u> Also great rod for panfish		7'2"	1/8-1/2oz	6-12lb	Med light/Fast A rare blank 90% backbone 10% tip. The unique tip has a fast return to neutral for increased movement of your bait and increases your hookset speed
Big brother to the 90/10 LT but a bit heavier for spinnerbaits, swim jigs and up to 1/2oz finesse style jig baits.	<u>90\10 MED</u> Also great for fish head spins		7'2"	1/4-5/8oz	8-15lb	Med/Fast A rare blank 90% backbone 10% tip. The unique tip has a quick return to neutral for increased movement of your bait and increases your hookset speed
Ideal for topwater tail action baits and perfect for horse head spins and scroungers, due to the flex of the backbone	<u>Whopper LT</u> Also great for whacky rigging and jerkbaits		7'3"	1/4-3/4oz	8-15lb	Med light/Fast Unique blank with a fast tip and a med light backbone with thick lower section to horse in the big ones
Ideal for topwater tail action baits and perfect for lipless cranks, and med swimbaits, due to the flex of the backbone	<u>Whopper MED</u> Also great for throwing buzz frogs		7'3"	3/8-3/4oz	10-20lb	Med Hvy/Fast Unique blank with a fast tip and a med backbone with thick lower section to horse in the big ones
My go to Jerkbait rod due to the length and versatile action of both the tip and backbone. SLASH or pop Jerkbait	<u>Slasher</u> Also great for small crankbaits and topwater poppers		6'9"	1/4-5/8oz	10-15lb	Med/XFast A flexible backbone for SLASHING action and an extra fast tip for a popping action

<p>My favorite all around flipping rod. Great for flipping into vegetation with heavy weights and jigs.</p>	<p><u>Beast</u></p> <p>Also great for Texas or Carolina rigs, large spinnerbaits and spoons for ledge fishing</p>		7'8"	3/8-2oz	12-25lb	<p>XHvy/Fast</p> <p>The extra heavy back bone gives this rod massive power for flipping large weights. The fast tip allows the rod to load during the flip and increase sensitivity</p>
<p>The ultimate Texas rig, jig and swim jig rod. Also senkos, spinnerbaits, buzzbaits, and chatterbaits</p>	<p><u>Orochi</u></p> <p>Great for skipping docks</p>		7'	3/8-1oz	10-20lb	<p>MedHvy/MedFast</p> <p>Great action on the tip of this rod with a strong back bone to get fish out of cover</p>
<p>Lighter version Orochi but built for the snapping action of Hair Jigs. Also senkos, bladed bait like Rage Blade, small spoons and vertical blades</p>	<p><u>Wild Hare</u></p> <p>Great for skipping docks</p>		7'	3/8-3/4oz	10-20lb	<p>Med/MedFast</p> <p>Fast tip for increased feel w/bottom baits and lighter backbone for loading up to snap jigs and blade baits out of the grass or off the bottom</p>
<p>A must for any flipping scenario or dragging 3/4 to 1oz jigs on deep ledges</p>	<p><u>Gator</u></p> <p>Also great for flutter spoons and swimbaits</p>		7'6"	3/8-1 1/4oz	12-25lb	<p>MedHvy/MedFast</p> <p>Smooth taper from med fast tip to the med heavy back bone allows the rod to stay loaded when flipping big weights</p>
<p>This King of the FL waters is a must for any heavy flipper. Set this rod up with a 8.1:1 reel for a perfect grass mat punch rig</p>	<p><u>King Gator</u></p> <p>Also able to throw A-rigs and large spoons</p>		7'6"	1/2-2oz	20-40lb	<p>Hvy/MedFast</p> <p>Heavy back bone for the strength to rip a gator out of the grass. The smooth transition to the medium fast tip allows the blank to load up when working a heavy punch weight. This allows you to stay in constant contact with the bait</p>

<p>When you plan to spend the day flipping bushes, sparse grass and laydowns do not go without the Flippin stick</p>	<p><u>Flippin</u></p> <p>Also great for heavy Carolina rigs, jigs, or frogs</p>		<p>7'3"</p>	<p>1/2-1 1/4oz</p>	<p>12- 25lb</p>	<p>Xtra Hvy/Fast</p> <p>Extra heavy back bone for getting fish out of cover. Fast tip for added sensitivity for the subtle bites. A little shorter than the Gator for flipping tighter to cover</p>
<p>Built for throwing light to heavy Carolina rigs, jigs, Niko rigs, heavy spinnerbaits for slow rolling on ledges</p>	<p><u>Carolina Rig</u></p> <p>Also a great hollow belly frog rod or swimbaits</p>		<p>7'8"</p>	<p>1/4-1 1/4oz</p>	<p>12- 20lb</p>	<p>Hvy/Fast</p> <p>Long 7'8" rod with a heavy back bone to handle the heavier weights and cast them very far. A fast tip for sensitivity when working baits on the bottom with the flex to still throw lighter baits</p>
<p>Perfect for walking the dog action or any topwater bait</p>	<p><u>Spook</u></p> <p>Also great for small crankbaits, Jerkbait</p>		<p>7'</p>	<p>3/8- 3/4oz</p>	<p>8- 15lb</p>	<p>Med/MedFast</p> <p>The med back bone will load up when throwing lighter baits so you can cast them farther and more accurately. The medium fast tip has more flex to allow for a smooth walk the dog movement, keeping you in contact with your bait at all times</p>
<p>Made for medium sized crankbaits like: series 3, 3XD, 300's, 1.5, DT-4-6-7, little john 50 and MD</p>	<p><u>Stump Jumper</u></p> <p>Also small swimbaits</p>		<p>7'2"</p>	<p>1/2-1 1/4oz</p>	<p>10- 20lb</p>	<p>MedHvy/MedFast</p> <p>The medium action throughout this rod lets it load up nicely while casting, giving you a longer cast. It also loads up while fighting a fish, this is especially important on fish hooked on lures with treble hooks. This action can decrease lost fish</p>
<p>Great for those bigger crankbaits</p>	<p><u>Digger</u></p> <p>Also great for med</p>		<p>7'2"</p>	<p>1/2-1 3/8</p>	<p>12- 25lb</p>	<p>Hvy/MedFast</p> <p>The heavy backbone allows you to throw</p>

like: SK 2.5, 8.0, series 5,6, LC 2.5, 3.5, fat little johns	swimbait					heavier crankbaits. The med fast tip loads up to get you that perfect cast and acts as a shock absorber when fighting a fish hooked on a treble hook bait. This can decrease lost fish
My go to deep diving crankbait rod. At 7'11" its perfect to throw any deep diving crankbait under 1 1/4oz very far 5XD, series 6 and 6XD, DT16-20	<u>Money Crank</u> Also great for med swimbait		7'11"	3/8 – 1 1/4oz	10-20lb	MedHvy/MedFast The medium action throughout this rod lets it load up nicely while casting the larger crankbaits for a longer cast. It also loads up while fighting a fish, this is especially important on fish hooked on lures with treble hooks. This action can decrease lost fish
A versatile finesse rod great for drop shot, flick shake, and shaky heads.	<u>Finesse LT/Spin</u> Also great for finesse, spinnerbaits, jigs and spy baiting. A great pan fish or trout rod		7'2"	1/8-1/2oz	6-12lb	Med light/Fast The fast tip adds sensitivity and returns faster to neutral. Add in the long length and they both aid in a better hookset while using the reel and sweep method.
Same as the finesse LT but a bit heavier for spinnerbaits, swim jigs and up to 1/2oz finesse style jig baits.	<u>Finesse HV/Spin</u> Also great for Texas rig. Ideal weight for amazing action is 3/8oz		7'2'	1/4-5/8oz	8-15	Med/Fast Similar action as the finesse light with a stiffer backbone for larger baits
